GenAI Engineer | Agentic AI expert

GenAI Engineer with 9+ years of experience spanning intelligent automation and AI system development, including **2+ years** building **LLM-powered applications, agentic workflows, and RAG systems**. Proven track record of designing scalable AI solutions that automate complex workflows, **improve decision-making**, and **reduce manual effort by up to 40%**. Strong expertise in **LLMs, Prompt Engineering, AI Agents, and Web Automation**, with hands-on experience in production-grade deployments **using FastAPI, Docker, and cloud-based AI services**.

CORE COMPETENCIES

- **AI/ML & Generative AI:** LLMs, Prompt Engineering, Prompt Tuning, LLM Evaluation, Agentic AI, RAG, NLP, Embeddings, Semantic Search
- **Frameworks & Libraries:** LangChain, LangGraph, LlamaIndex, Scikit-learn, TensorFlow, Hugging Face, Pandas, NumPy, Streamlit, Flask
- **Programming:** Python, C#
- **Backend & APIs:** FastAPI, RESTful Services, API Integration, Microservices
- **Automation & Testing:** Playwright, Selenium (Basic), Web Automation
- **Data & Systems:** EDA, Data Preprocessing, Vector Databases (OpenSearch)
- **Tools & Platforms:** Git, Bitbucket, Sourcetree, Jupyter Notebook, VS Code, Azure OpenAI

PROFESSIONAL EXPERIENCE

- **Consultant | GenAI**
ADP INDIA PVT. LTD., Pune (12/2023 - Current)
 - Built **strong expertise in Generative AI and AI/ML**, developing scalable POCs for digital transformation initiatives.
 - **Designed and delivered LLM-driven agents** (automation + RAG), integrating web automation, vector search, and intelligent decision-making.
- **Senior Member Technical | RPA**
ADP INDIA PVT. LTD., Pune (08/2019 – 12/2023)
 - **Delivered enterprise-scale automation** using Blue Prism & C#, **leading a team** of 7–8 in a **high-impact ADP business unit**.
 - Achieved **~50% AHT reduction**, earned **top performance awards**, and **upskilled across modern dev tools and practices**.
- **Senior Developer**
Capgemini (07/2016 – 08/2019)

- **Automated high-volume business processes using UiPath RPA**, streamlining operations and reducing turnaround time.
- **Delivered robust automation solutions** with **enhanced accuracy, scalability, and process efficiency**

PROJECTS

- **AI Automation Agent (ADPR Automation Agent)**
 - Built an **LLM-powered autonomous agent** to convert user prompts and inputs into structured action plans and execute end-to-end web workflows.
 - Integrated **Azure OpenAI** to generate dynamic action steps and extract DOM selectors for reliable automation.
 - Implemented **Playwright-based web automation**, enabling real-time execution of multi-step browser interactions.
 - Designed and exposed scalable APIs using **FastAPI**, with a lightweight **Flask UI** for user interaction.
 - Improved automation flexibility by enabling **prompt-driven decision making**, reducing manual scripting effort.
- **Company News Intelligence Agent (RAG-based System)**
 - Developed a **RAG-based AI agent** to fetch, process, and retrieve company news insights using vector search.
 - Built end-to-end pipeline including **chunking, embeddings, retrieval, and reranking** for accurate information retrieval.
 - Leveraged **Azure OpenAI** to dynamically generate XPath selectors from DOM for robust web data extraction via Playwright.
 - Implemented **OpenSearch Vector DB** for efficient storage and semantic search of news data.
 - Exposed services via **FastAPI** and created an interactive frontend using **Flask**.
 - Enhanced search relevance and response quality through optimized retrieval and ranking strategies.

CERTIFICATION & TRAINING

- **Executive Post Graduation Programme, IIIT-B:** [Certificate](#)

Completed Executive Post Graduation Programme, gaining hands-on experience in AI/ML skills including Data Analysis, Machine Learning, Deep Learning, NLP and Generative AI and project implementation

EDUCATION

- **Executive Post Graduation:** AI ML - Generative AI specialization (Indian Institute of information technology- Bangalore, 2024-2025)
- **Bachelor of Engineering:** Mechanical (Pune University, 2012-2016)

LANGUAGES: English (Fluent), Hindi, Marathi(Regional)
